Welcome to 2010 — Celebrating 10 Years

It’s lovely to see smiling faces in 2010. New uniforms, a quick step, a gathering of friends—some old, some new. These are just some of the images and indications that the new year has begun with a sense of ownership and direction. We all have optimistic hopes and dreams at the start of the new year and at the College in 2010 we are eager to fulfill these dreams. There are many stories of interesting journeys and adventures over the Christmas vacation. There are plans to achieve the best results we can this year.

The 2010 HSC has delivered our strongest results to date, with our top student achieving an ATAR of over 99. Abhishek Karavadra joins that distinguished group of elite students. Our Band 6 achievers were 4 times that of the previous year and our Year 12 performance has moved us up the ladder in comparison with other schools especially in the South West. A more complete report of this program likely in 2011. 75 Junior classrooms with completion extended in 2010 across both Junior and Senior schools in the College. “Smart Boards” have been installed in two thirds of our College. The technology program has been extended in 2010 across both Junior and Senior schools in the College. “Smart Boards” have been installed in two thirds of our Junior classrooms with completion of this program likely in 2011. 75 laptop computers have been added to the Senior School program to enable student use in classrooms. We will look seriously at the laptop program this year with the future in mind. Wireless technology throughout the College is allowing a far greater coverage of areas for internet connection. This is the ideal topic for a P and F meeting discussion and I know that the P and F is keen to engage with parents over relevant issues. There is a sense of encouragement for the new year and the opportunities that 2010 provides for students at Thomas Hassall. I would like to welcome students, families and staff to the new year. Let me also welcome our 3 new staff members, Allison Collins (Junior School), Naomi Roediger (Science) and Daniel Stevenson (Maths).

As we begin this year let me remind us all of the biblical encouragement to strive forward in all we do;

I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus. Philippians 3:4

Ross Whelan
Principal
Welcome back to College!
The Canteen is open to students each day for counter sales and lunch orders. Please ensure lunch orders are clearly written on a paper bag with the correct money inside.

From the Director of Christian Education

We start another year at College after recently celebrating Australia Day, the anniversary of the first European settlement of Australia in 1788. Did you go to the beach, have a BBQ, watch an iconic Aussie movie, enjoy the fireworks, or the cricket? It’s a day for all of us, old and new Australians alike, to be grateful for the great things we share in common.

For many families in our College community Australia has been a new land of safety and opportunity in recent decades. Our College community is a place for people from many nations and a range of Christian denominations, world religions or those who choose not to profess a religious faith. We strive to live with respect and tolerance with people of different cultures and experiences, hopes and aspirations.

The Europeans who identified, settled and explored Australia were Christians. The laws of Australia were based on the Bible and Judeo-Christian ethics. The federation of Australia, when the separate colonies came together as a nation, was established as a Christian nation under God. Alfred Deakin, the man mainly responsible for passing our Constitution through parliament and our second Prime Minister, included the following Constitution Preamble:

"Whereas the people of New South Wales, Victoria, South Australia, Queensland; and Tasmania humbly relying on the blessing of Almighty God, have agreed to unite in one indissoluble Federal Commonwealth under the Crown of the United Kingdom of Great Britain and Ireland, and under the Constitution hereby established..."

While the republican / monarchist debate might take centre stage, we might consider how we live out the idea of acknowledging the role of God in the central workings of our nation and its future. The freedoms and prosperity we enjoy can be attributed to a good God. It prompts us to consider the text of Rev Richard Johnson’s sermon during the first Christian service in Australia on February 3, 1788

"What shall I render unto the Lord for all his benefits toward me?" Psalm 116:12

To be a nation with a Christian heritage does not mean every person needs to be a Christian. It does not mean forcing one’s beliefs or acting violently towards another. But we might all benefit by reflecting upon the Christian foundation, values and hopes which shaped Australia in its first 200 years and still does for our future. For more information on the Christian history of Australia you might like to explore http://www.chr.org.au/

I pray that you and your family have a terrific start to the new College year.

Jim Dayhew
Director of Christian Education

Volunteers Required!
As we begin the new academic year volunteers are needed for the reading programs that the College offers to students. If you are interested in training in the Multilit Reading Tutor Program, we will be conducting a training session on Tuesday 16th February from 8.30 a.m. until 9.30 a.m. in the middle of R Block – upstairs in R6.

The Multilit Reading Tutor Program is designed to teach children the fundamentals of reading. For this program to be successful we need your support. Those parents who have had a child participate in the Multilit Program have noticed significant gains in their children’s literacy skills. Therefore, we would welcome your support as volunteers as well as the support from existing reading tutors.

If you are interested in helping out with the Multilit Program and are unable to attend the training session please let Mrs Wheadon know and I will contact you personally.

Multilit Training Session
Tuesday 16th February 2010
R6 – upstairs in the middle of R Block
8.30 – 9.30 am
Mrs D Wheadon
Junior School Support Teacher
Welcome to the new College year for 2010. Arriving at the College you would of noticed that the landscape dominated by site sheds and associated building activity. This activity is very exciting as it represents additional resources and facilities being made available to the College that will benefit the teaching and learning across the College community. It also means adjustments will need to be made during the course of the year in terms of arriving and leaving and the general organisation. Your patience and understanding will need to be required as we work through the inevitable issues as they arise.

The start of the year has been marked by an openness and positivity that bodes well for a College that is quickly maturing as a place where learning and opportunity is relevant, flexible and challenging in a constantly changing world. To achieve the most from this College experience I would emphasize the need to work together: staff, teachers, students and parents.

A special welcome to our new parents and students as we embark on a new journey together. I understand that many new students (and their parents) may feel a little nervous at first, but I believe each student (and their parents) will begin to relax as they make new friends and get to know their classes and teachers and wider College community. I would encourage all students to get involved in the many opportunities that the College offers.

I would encourage all parents to feel free to express their fears, concerns, joys and appreciation as they communicate with the College staff. Our leadership team include: Subject Coordinators, Year Advisors, House Patrons, Counsellor, Careers Advisor, Administration and Executive Staff. Ultimately we are here to serve you in the academic, pastoral and the extra curricular needs of your child/children. Ultimately the best educational outcomes are achieved when there is an active partnership between the teacher, child and parents.

Some positive feedback we have had from parents this year has been regarding the new Senior College Diary. In this edition of the newsletter I have included some advice to parents regarding how to get the most from the diary. In each newsletter I will include a helpful article focusing on ‘better learning’. This advice is designed to assist parents in thinking through ‘learning issues’ for their child. The topics covered will include things like: Goal Setting, Identifying Your Learning Style, Dealing With Stress and Anxiety, Prioritizing Your Homework/Study etc. I know that this information will assist you in helping your child in achieving their best. Please take the time to familiarize yourself with the new diaries.

On the topic of ‘better learning’, the introduction of the after school ‘Study Centre’ is in the final stages of being set up. This program is designed, initially for Year 11 and 12, to provide students with extra assistance for their various learning needs. The College is employing tutors to assist small groups of students with assignments, planning, research and specific tuition for learning problems. The tutors themselves are all familiar with demands of the HSC and have been employed for their expertise in given subject areas: Physics, Mathematics, English etc. Provision of a wider College program will be evaluated at a later date.

In all that we are doing this year we must never forget the source of our strength, hope and provision. Thank you Lord for the resources and good things you have placed in our lives! Help us to be good stewards of what you have provided for us in 2010. We look forward to a great year. Amen!

Roger Young
Head of Senior School
Welcome back to College for 2010.

College tuition fees can now be paid by credit card. Payments can be made online via the College website or by contacting the office for a direct debit form.

To access the College’s secure online payment facility, click on the “Credit Card Fee Payment” link of the left hand side of the College homepage (www.thac.nsw.edu.au). You will be directed to a secure site where your fee and credit card details can be entered. Please note that a 1% surcharge will apply to each credit card payment. All families should now have received Term 1 fee invoices. If you have any queries in respect of this invoice or wish to discuss College fees, please do not hesitate to contact me for a confidential discussion.

Andrew Smith
Finance Manager

Uniform Shop

The College Uniform Shop is open Wednesday’s and Friday’s between 12pm and 3pm during term time.

The shop stocks second hand uniform items which are sold at reasonable prices. You can also buy College bags, Senior School boys hats, calculators and other items.

We gratefully accepted donations of used uniforms in good condition. Please ensure they are laundered prior to delivery to the Uniform Shop.

The Uniform Shop’s temporary location is in the Staff Centre. Please enter through the rear door.

From the Head of Junior School

Welcome back to the College for 2010 and a very warm welcome to all our new families. Kindergarten and Prep have now started and have been very happy and settled, some found it a bit daunting to leave Mum and Dad but they soon settled into the routines and enjoyed their day. Some children find the challenge of a new school daunting and can take time to settle, this can be in any grade. Please talk to the teachers, myself or Mrs Petersen, the College Counsellor, if you child is having difficulty with friends, the workload or just being overwhelmed with the change. The College is keen to support our new students in any way.

Welcome to Mrs Allison Collins who will be teaching 6C with Mrs Evans. Mrs Trudi Woods has moved to a full time position taking Kindergarten. Mrs Kendon has returned from maternity and is teaching 4K with Mrs Saville. Other staff members have moved grades within the College to broaden their experiences and to take on new challenges. The staff are very enthusiastic and looking forward to a great year.

The focus for the Junior School this year is child-centred learning, that is making our classrooms excellent learning centres where each child is expected to excel according to their ability. Our smartboard program is supporting this. All grades have access to two smartboards that are designed to offer much more interactive experiences.

The staff are investigating ways that we can engage all students and develop passionate learners. The children will be given opportunities to investigate and discover new experiences as they become independent learners.

There will be an Information evening on Thursday, 18th of February where you can find out more about your child’s teacher and the routines for their class. This will be accompanied by a Barbeque provided by the Parents and Friends Association. More details will be sent home soon.

Once again welcome back to the College. Please contact the College if you need more information about what is happening at the College. It is great to have such a positive start and we want that to continue for each of our students throughout 2010.

Christine Bessant
Head of Junior School

New Staff

We welcome 3 new members of staff to the College this year.

Allison Collins, Naomi Roediger & Daniel Stevenson.

Allison Collins will be teaching Year 6. Allison is an experienced teacher who has recently returned from overseas.

Daniel Stevenson (Maths). Along with his love of Maths Daniel is a talented sportman, and played in the Australian School Boys’ Rugby Union team.

Naomi Roediger will be teaching Science in the Senior School. Naomi has a passion for Science and was brought up in a family of Scientists.
Welcome to all those doing Dukes and to all Year 9 students who are now old enough to consider getting involved with an exciting Dukes experience. This year promises to provide great outdoors adventure and many experiences helping others and growing your skills. Look out for more details in later editions of The Way.

If you have activities being finished from last year in Dukes please get your book filled out and logs ready for me to check. We will be sending off a new batch of award requests soon.

Have you heard about the exciting solo voyage around the world of young Jessica Watson? She is really experiencing the deep challenges and joys of an amazing expedition that will change her life forever. People all over the world are chatting to her via the internet. You can read her emails and see her talking to you from her yacht Pink Lady on video on her site – check out http://www.jessicawatson.com.au

I met Jessica at the Sydney boat show last year and was impressed by her calm, capable, courteous and humble outlook as well as her courageous desire to get the best out of her opportunities. Now she has passed the halfway mark of her voyage and is heading down to the “roaring forties” for the run home. Jessica is writing a book about her adventures that will be published this June, God willing! Just what you need to get excited about expeditions in 2010! You never know where they may lead!

So get inspired for your own great adventures this year – give Dukes your best shot!!

Mr Jim Ward
Dukes Co-ordinator
## Junior School Sport

### Junior School Swimming Carnival

The Junior School Swimming Carnival is for students in Years 2 – 6. It will be held at the Prairiewood Leisure Centre on Tuesday 23rd February, 2010. Students need to be at the pool by 8.20am. The first race commences at 8.30am.

**PARENT HELPERS:** We are in need of parents to assist in the running of the carnival, so if you can help, please see your classroom teacher.

### NASSA Junior Tennis Gala Day

There is a NASSA Junior Tennis Gala Day on Thursday 18th February. If your child is in Year 5 or 6 and plays competition Tennis outside of College, please see Mrs Evans for more details.

### PE and Sport Reminder

- It is advisable that your child has a refillable drink bottle on Sport and PE days to ensure that they are able to re-hydrate after exercise. A frozen drink is also a great idea. All children are required to wear the PE cap or College hat for sporting activities.

## Senior School Sport

Sport this year is looking very promising. After finishing 2009 with many victories, 2010 is going to be very positive!

There are a few changes to Senior School Sport this year:

**MISA Sport:** As you are representing the College, there is no cost.

**House Sport:** As there is no cost for MISA sport, Tuesday Afternoon sport is now House sport, with the aim to develop skills in the competitive sports of MISA and to provide an in-house competition at the end of each term. This will develop competitive sport within our College.

### Coming up

**NASSA Cricket:** THAC vs BGS – 11th February

**AICES Open Tennis:** If you are a representative player, and would like to trial for the AICES Open tennis, please see Mrs. Clisdell as soon as possible!

**Swimming Carnival:** The College Swimming Carnival is on the 22nd February at the Whitlam Aquatic Centre.

**NASSA Cricket:** THAC vs MAS – 25th February.

**NASSA Cricket:** THAC vs BAC – 26th February.

**NASSA Swimming Carnival:** 3rd March at Homebush
Year 3 - 6 Sport – Term 1

Sport for students in Years 3 - 6 occurs every Wednesday during Periods 5 and 6. Children have the opportunity to participate in the following Sport for Term 1;

* **IPSSO teams** – Summer Sport teams represent our College in Cricket, Basketball, Softball and Tee-Ball. The IPSSO competition provides opportunity for children to play Summer and Winter sports against 8 other schools.

* **Swimming** – Swimming instructors from Prairiewood Leisure Centre instruct the students to improve their swimming ability. Classes are ability based from non-swimmer to stroke correction.

* **Ten Pin Bowling** – Students travel to Manhattan Rock n Bowl, Wetherill Park and play a game of bowling. Students can elect to use the “bumper bowling” lanes.

* **Tennis Coaching** - A qualified ‘Elite level’ tennis coach (recognised by Tennis Australia) will run a coaching program designed to improve student’s skill and knowledge of the game of tennis.

* **Gymnastics** (for Years 5 & 6 ONLY) – A qualified and experienced coach from Gymnastics 2U will run a program designed to learn basic gymnastics in a safe and controlled environment, concentrating on technique and fun. Yr 3 & 4 will be able to do the Gym program in Terms 2 and 4.

* **Sporting Clinics** - The sporting clinics are run by the NSW Association for their Sport. They are excellent programs emphasizing fun and participation. The coaches are qualified within their respective sporting bodies and endeavour to develop the student’s understanding, skill level and knowledge of the game. The following coaching clinics will occur this term:
  
  * Soccer NSW
  * Cricket NSW

* **College Sport** – is a variety of skills based lessons, developing to team games.

Year 1 and 2 Sport – Term 1

In Term 1, students in Years One and Two will attend a 8 week Swimming Program at Prairiewood Leisure Centre. The Swim program will commence in Week 3 and continue every Thursday as part of the Stage One weekly sports program. The 1 hour lessons will be ability-based and will cater for non-swimmers through to stroke development and correction.

Parent Helpers: Parents are able to assist with changing children back into uniforms at the pool. If you can assist, please see your classroom teacher. All parent helpers must complete the ‘Working with Children check’ before assisting with the program.

Children will be selecting their Sport choice for Term One in Week 2.

All Sport starts in Week 3, 10th February 2010.

* Mrs Sharon Evans
* P-6 Sports Co-ordinator

This year, the Parents and Friends Association, in partnership with the College will be financially supporting the College sporting representative teams by covering the cost of transport for each student.

The P & F are dedicated to providing opportunity for all children to be involved in College representative teams and we are very grateful for their generous contribution to representative Sport.

Learning an Instrument in 2010!

Returning Brass and Woodwind students
Please make sure Mrs Jiear knows you are returning to lessons in 2010. We have new tutors starting this year, and your name may not have been kept on College records so please let Mrs Jiear know urgently if you still wish to learn your instrument.

Returning Students (other Instruments)
If your tutor has not made contact with you, please contact him/her and make sure you are on the roster for this year.

NEW STUDENTS
There will be some vacancies in the tutorial program this year, but not many, so get in quickly if you wish to begin learning an instrument. Enrolment forms are available outside the Music staffroom, or from the Admin office.

INSTRUMENTS AVAILABLE FOR HIRE
The College offers cheap hire of brass and woodwind instruments so that students can begin to learn an instrument without paying as much as other hire/purchase places charge. There are a few instruments available for hire. The following instruments are up for hire.

- 3 Flutes
- 2 Clarinets
- 2 Trumpets
- 3 Trombones
- 1 Baritone
- 2 Alto Saxophones

*It is expected that students hiring instruments will join the College Band Program.*
*If you wish to hire an instrument See Mrs Jiear asap for details.*

WANT TO JOIN THE COLLEGE BAND???

Primary Band
Years 4 and 5
Tuesdays after lunch
Sectionals and Band rehearsals
Special information session for Year 4 and new Year 5’s - stay tuned!

Middle School Band
Years 6 – 9
Tuesdays from 2.45 until 4.15
Sectionals and Band rehearsals

Stage Band
Experienced musicians
By invitation or audition
Wednesdays from 2.45 until 4.30

See Mrs Jiear for information package
