.....

I wish him/her to have a Private (\$35) or Shared (\$25) tutorial each week.

I understand that my child must attend their lesson every week. If they miss a lesson, the fee is not refundable. If the tutor is given at least 24 hours' notice of an absence, they will make every effort to re-schedule the lesson is possible. Fees are paid in full at the beginning of every term, or half term directly to the tutor. Under special conditions, other fee paying arrangements may be negotiated directly with your tutor.

Parents are to notify tutors 2 weeks before term starts to cancel lessons.

Please note: Fee payments will not be accepted on behalf of tutors by the music or administration staff.

Tutorials are held in the Music Tuition block located in P Block.

Parents must give permission for a student to be placed in a tutorial.
